OVERVIEW OF OUR CLIENTS

The success of our business stems from putting our esteemed clients first in every decision.

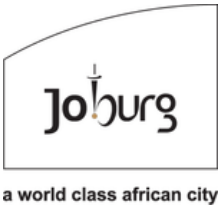

Welcome

At Young Peers Trading & Projects, we understand the importance of quality construction...

With a passion for building a better South Africa, we provide high-quality, customized Engineering & Construction solutions that guarantee your satisfaction.

No matter how complex the project, we approach it with skill and a positive attitude, ensuring our work is accredited and professionally executed.

As an entrepreneurial business, we know what it means to work hard for what you want and how critical infrastructure is to legacy.

We're passionate about continuously improving our services – always adding value to the work we do and dedicated to delivering exceptional results every time. Keeping in touch with market needs.

As a team, we are agile and pride ourselves on our unique camaraderie, coupled with our commitment to quality.

We're skilled. We're passionate. We communicate clearly and with care.

We look forward to partnering with you to build your future with innovative excellence and expertise.

We're Young Peers Trading & Projects. Building Futures, Building Trust.

Who we are

Based in Based in Midrand, Durban and Bloemfontein, with a focus on client satisfaction, we work hard to exceed your expectations - driven by a clear horizon and a determination to add significant value to every project we undertake.

Founded in 2013 by Mr. Duduzani Sibanda, our company emerged from a profound love for buildings and a commitment to revitalizing South Africa's infrastructure. Fuelled by a vision to be the clients' preferred contractor, we embarked on this journey to create enduring, high-quality infrastructure for generations to come.

We're proudly black-owned and managed. 40% of our employees are women, and 100% are young people, reflecting our commitment to youth empowerment and gender equality. Having come from humble beginnings and a vision to create a lasting legacy in the construction industry, today, we stand as next-generation entrepreneurs committed to making a difference.

We foster a sense of family among our team, empowering each individual with responsibility and ownership.

Our Leadership Philosophy

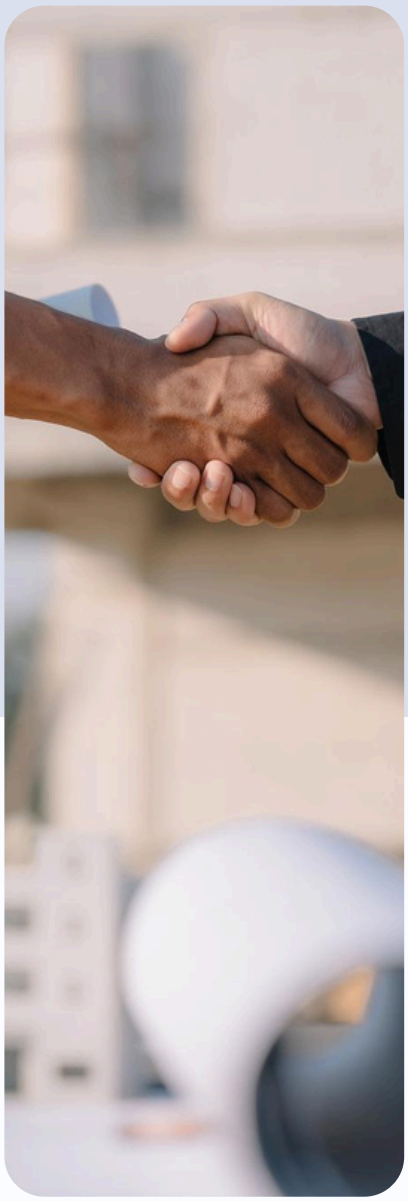

At Young Peers Trading & Projects, our leadership team brings together extensive experience across civil engineering, construction management, project administration, and operations. Our collective expertise ensures strong governance, effective risk management, and consistent delivery of high-quality projects.

Our management structure promotes accountability, operational efficiency, and strategic oversight, enabling us to successfully execute projects of varying scale and complexity while maintaining the highest professional standards.

Our governance framework ensures transparency, accountability, and adherence to best practice standards.
We are proudly registered and compliant with:

- COIDA Compliant
- SARS Tax Compliant
- B-BBEE Level 1 Contributor
- CSD Registered Supplier

Our comprehensive Health, Safety, Quality & Environmental (HSQE) management systems ensure:

- Safe working environments
- Reduced project risk
- Environmental responsibility
- Consistent quality assurance

Through continuous monitoring, audits, and improvement, we proactively manage project risks and maintain full compliance across all operational areas.

Our accreditations

YPTP is proudly accredited with the NHBRC, ensuring compliance with the highest standards of quality and safety in construction. We are also registered with the CIDB which affirms our credibility and capability to deliver projects of varying scale and complexity. These accreditations reflect our commitment to excellence, professionalism, and trustworthiness in the construction industry.

What we do

At YPTP, we provide a comprehensive range of construction services tailored to commercial, industrial, infrastructure, residential and educational markets.

Our offerings include General Building Works, Alterations and Renovations, Civil Engineering Construction, Property Development, Turnkey Projects, and Maintenance Services.

What sets us apart is not just our expertise but our approach. We delve deep into understanding each project, its origins, and the underlying issues. This understanding forms the basis of our long-term solution offering.

With a focus on quality and innovation, we deliver top-notch solutions that stand the test of time.

For your peace of mind, we offer guarantees on our full scope of services.

General Building works, including the construction of:

- Building structures
- Office Parks
- Shopping Centres

Alterations and Renovations, with refurbishments of:

- Existing buildings
- Warehouses
- Depots

Civil Engineering Construction, specialising in:

- Road infrastructure
- Water infrastructure
- Sewer infrastructure
- Stormwater infrastructure

Turnkey Projects with comprehensive services covering:

- Design
- Construction
- Project management

Property Development:

- Designing and developing innovative properties for the future

We ensure the longevity and functionality of existing structures through our Maintenance Project Division.

Our Construction Plant Hire Services provide high-quality construction equipment for various projects.

We are here to help you and ensure your legacy stand the test of time!

Our value-add

We guarantee competent, customized, and unique Engineering & Construction solutions, ensuring effective issue resolution.

Unlike companies with a one-size-fits-all approach, we boast a workforce with specialized talents relevant to your building environment. When you choose Young Peers, you're not just getting a contractor but the complete package - a dedicated partner who handles everything from design to project completion.

Proud to have supported small businesses in scaling their operations within the construction sector.

At YPTP, we take immense pride in our continuous efforts to uplift the vibrant South African community. We've actively engaged with our community by contributing to soccer competitions in Roodepoort, where we've donated soccer kits and boots, and proudly sponsored competitions.

Our commitment extends to supporting education. We have consistently provided school supplies and shoes to students in Ivory Park and KwaZulu-Natal.

These initiatives are rooted in our belief in the power of community and education, driving us to make a positive impact wherever we can.
